

General Description

Delta MQD (Miniature QDS) connectors feature the same positive-locking, push-on mating as QDS series connectors, but in a miniature size equivalent to BNC and TNC connectors. Along with the convenience of quick-connect and quick-disconnect mating, they exhibit good VSWR to 9 GHz.

Our MiniQDS series product line is still growing, so please call if you don't see what you need.

Contact factory for other specifications and interface dimensions.

Straight Plug - Crimp Type For Flexible Cable

Cable Group	Figure	Dimensions		Plating		Delta P/N	Assembly Procedure/Trim Code
